Our class texts...

Key Learning this term...

This term Year 5 and 6 are beginning the year with a topic on The Victorians and The Industrial Revolution! We'll be exploring the novel of Oliver Twist as well as enjoying reading Holes. We have numerous non-fiction books about the Victorians and we will be studying a poem by W H Auden and others. The children will use these texts to further understand the Victorian era and embed the writing structures of classical texts.

In Maths we are consolidating our knowledge of place value and ordering and comparing numbers up to 10,000,000. The children will then continue to develop their understanding of calculating in all four operations: addition, subtraction, multiplication and division.

Through History, Geography and Science lessons, we will learn about the industrial revolution and how it's impacted on society today. We will also learn about electricity and will carry out some scientific enquiries. In Geography, we will extend our understanding of the industrial revolution through looking at

Dates for the diary...

Junior sports club will run every Tuesday evening straight after school.

Our first football match is the 17th of September at home. Please come along and support us!

We have a church service Thursday 26th September at 10:30am. All welcome.

Reminders...

Can all children have a PE kit in school all week as PE days may change. Homework and spellings will be handed out on a Wednesday and returned the following Friday. Homework is one sheet of English and 30 minutes of maths whizz each week. Please could your child read at least 3 times a week
