Key Learning this term...

We have had a fabulous start to the new year, this term our topic is 'Furry Friends'. We have many exciting activities planned for this half term, including having some furry friends come to our classroom!

In **Maths** this term we are continuing working with numbers up to 10 to become confident Mathematicians! We will be learning our number bonds to 10 by exploring different ways to make 10. We will also begin to look at subtraction and explore patterns.

In **Literacy** we will continue to focus on sentence structure including using finger spaces, capital letters and full stops. We will be writing stories, instructions and recounts. We will be reading some lovely fiction stories, but we will also be introducing the children to some non-fiction texts about animals. This term for phonics we will be reviewing phase 3 and tricky words (see reading diaries, homework books and below).

In some of our other topic areas we are:

- Playing cooperatively and taking turns, following school rules.
- Learning to use a range of tools such as whisks, knives and forks and peelers, as well as knowing we wash our hands before cooking.
- We will explore how Christians celebrate Easter at home and at church. We will read The Good Samaritan.
- We will practise scooting and balance-biking, negotiating courses and varying speed when riding.
- We are practising our tripod pencil grip as we draw, paint and create to make art.
- We will thread a needle and practise running stitch as we make a bookmark.

Reminders...

Please make sure your child brings their bag to school every day, with their reading book. A new reading book will be given out each Friday and children will also choose a book from our class library.

Please provide your child with a filled water bottle each day. We encourage children to drink water.

PE kits should be in school at all times. Our specific PE day will be on a Thursday this term. PE kits will come home at the end of the half term for a wash.
