The Scheme of Delegation is effective from 1st September 2024.

Introduction to Governance

Governance within DDAT is the framework guiding decision-making, accountability and stewardship of public funds. It is based on shared values and roles outlined in the DDAT Scheme of Delegation (see here). Members, Trustees, and Committees work together to fulfil the DDAT's mission. Effective governance is supported by:

The Members: The guardians of governance. Members have a strategic 'eyes on, hands off' role. Members' key responsibilities include:

- Holding the Board of Trustees to account
- Appointing or removing Members and Trustees
- Amending the Articles of Association
- Appointing the Trust's auditors and receiving the audited annual accounts
- Ensuring that the religious character of church academies is preserved and developed.

The Board of Trustees: The Trustees, also known as Directors, who sit on the Board are primarily voluntary, non-executive Trustees selected for the knowledge, skills and expertise they can bring to benefit the Trust and they serve a 4-year term of office. Some Trustee roles are ex-officio, as defined in DDAT's Articles of Association, however the postholders are not obliged to accept a position on the Board.

The Board provides strategic leadership; accountability and assurance; and engagement. The Board is responsible for the strategic oversight and performance of the Trust and its academies. It holds legal accountability for all aspects of operational delivery and is required to have systems to assure itself of the quality, safety and good practice of the affairs of the Trust.

Board Committees: The Board has established committees under its delegated authority to facilitate review, scrutiny and discussion, and to ensure the Board has sufficient understanding and oversight of key areas. The Board Committees comprise:

- The DDAT Audit and Risk Committee
- The DDAT Finance and Resources Committee
- The DDAT Education and Standards Committee
- The DDAT Performance Management Panel

Detail of the committee roles are set out within the Terms of Reference for each committee.

Local Academy Committees (previously Local Governing Bodies): Work at local level to provide support, to monitor and to challenge educational experience and performance. They engage with key stakeholders, including the local community and the church, and support alignment with DDAT's strategy, approach, ethos and values.

Governance Communication Channels

Introduction to the Scheme of Delegation

As a charitable company limited by guarantee, Derby Diocesan Academy Trust (the “Trust”) is governed by a Board of Directors also referred to as Trustees (the “Trustees”) who are responsible for, and oversee the strategic control, management and administration of the Trust and its academies. The Trustees are accountable to external government agencies including the Department for Education (DfE) and Charity Commission for the quality of the education they provide and they are required to have systems in place through which they can assure themselves of quality, safety and good practice.

This scheme of delegation (**Scheme**) explains the ways in which the Members and Trustees fulfil their responsibilities for the leadership and management of the Trust, their respective roles and responsibilities, and the roles of the executive and local academy committee, to ensure the success of the Trust and its academies. This Scheme therefore sets out the Trust’s approach to delegations between the different layers of governance within the Trust and is a delegation by the Members and Trustees under Article 105 of the Articles of Association of certain powers and/or functions as detailed below:

1. Confirms which powers and functions are reserved to the Board;
2. Should be read in conjunction with the Trust’s Committee Terms of Reference;
3. May only be altered or revoked by the Board.

The Scheme operates in conjunction with relevant legislation, such as the Companies Act 2006, and the Trust’s Articles. Whilst this Scheme includes a column for “Members” this does not form part of the delegation of powers and functions (because the Trustees have no power to delegate these powers and functions) but it is included for information purposes to assist users of the Scheme. The Trust’s Scheme of Financial Delegation, which the Trust is required to have under the Academies Trust Handbook, is set out in the financial handbook and also supplements this Scheme in respect of the delegation of financial powers and the operation of robust internal controls.

The Scheme has been broken down into sections covering:

1. Governance
2. Vision & Strategy
3. Finance & Estates
4. Human Resources
5. Education

In this scheme the phrases used below have the following meanings:

1. For the avoidance of doubt where any extant DDAT policy conflicts with this Scheme of Delegation, then the Scheme shall take precedence. In all issues of interpretation, the decision of the Chief Executive, in conjunction with the Chair of the Board, is final. Where policies and procedures are not included in this Scheme of Delegation these are a matter for the Chief Executive and, where

appropriate, the Trust Board.

2. Related Party Transactions (RPT) and Register of Interests. The Academies Trust Handbook (ATH), along with other statutory or sector best practice guidance, provide clear guidance on how RPTs must be managed against the consideration of the Nolan principles. Individuals who hold any of the roles mentioned in this document must at all times take personal responsibility for their decisions and actions, and ensure they have;
 - An understanding of their personal awareness and commitment to the statutory requirements of the roles they hold in relation to RPTs
 - Maintained and reviewed an up-to-date Register of Interests (as defined in the ATH)
 - Not at any point used their connection to the Trust for personal gain, including payment under terms that are preferential to those that would be offered to an individual or organisation with no connection to the Trust. This specifically includes Trustees seeking payments that at all times must be considered against the requirements in the ATH
 - Removed themselves from any discussion, decision making, reviews and/or appeals where they have declared a conflict of interest.

External audit oversight and findings – the audit and risk committee

- 4.16 The audit process can support Trusts by identifying areas that may require improvement. Local Academy Committees (LACs)

Structure and Member Categories

It is recognised that people from many walks of life can make a valuable contribution to the raising of educational standards and so the Local Academy Committee includes a range of different categories of individuals. No matter what kind of Member you are, you will have the same role and responsibilities within the Local Academy Committee. A member's Term of Office is 4 years.

Your Local Academy Committee may be made up from:

- **Parent Members:** these are almost exclusively parents or carers of children at the academy. They are normally elected by parents but can be appointed by the Local Academy Committee if not enough people stand for election when the position(s) is first advertised.
- **Staff Members:** these are selected by election from teaching and support staff who are paid to work at the academy.
- **Head teacher:** he/she is a member of the Local Academy Committee by virtue of their office. However, they can choose not to take up the position and must inform the clerk in writing.
- **Trust:** these are recommended to The Trust for appointment by the Local Academy Committee. They are people who, in the opinion of the Local Academy Committee, have the skills required to contribute to the effective governance and success of the academy.
- **Foundation ex-officio:** he/she is a member of the Local Academy Committee by virtue of their office (for further detail, please refer to the next page).
- **Trust PCC:** these are recommended to The Trust for appointment by the Parochial Church Council. They are people who, in the opinion of the Local Academy Committee, have the skills required to contribute to the effective governance and success of the academy.
- **Chapter:** (DCS only) nominated and appointed by the Cathedral Chapter (one of which to be the Dean of the Cathedral)
- **Observers:** They are not LAC Members but are requested, by the Local Academy Committee, to attend Local Academy Committee meetings because of the particular skills or experience they possess. They do not have a vote when decisions are required to be made. You will quite often see the School Business Manager and members of the Senior Leadership Team attend meetings of the Local Academy Committee under the category of 'Observer'.

Each Local Academy Committee must not be smaller than seven members, and must include:

- At least two parent members;
- One, and only one, staff member;
- The headteacher unless the headteacher resigns as a member;
- As many additional Trust members as they consider necessary. However, the number of Trust members who are eligible to be elected or appointed as staff members must not, when counted with the one staff member and the headteacher, exceed one-third of the total membership of the Local Academy Committee.

Local Academy Committees should be no larger than 11 individuals, with the recommended size being 7 to 11 individuals as smaller boards can be more cohesive and dynamic⁵.

⁵ NGA Guidance 'The role of the local tier: A guide for multi academy trusts'

- Voluntary Aided schools must have such number of Trust PCC including the Foundation ex-officio members as to outnumber all other members by up to two
- Voluntary controlled schools must have at least two (but no more than a quarter of the total) Trust PCC including the Foundation ex-officio members.

Foundation Ex-Officio LAC Members

Appointment Process

The local priest holds the Foundation ex-officio place on the LAC by virtue of their role, so they are not required to complete an application form or have confirmed PCC support or a written reference.

Please note that the Foundation ex-officio place should only be held by the local priest. Any substitute arrangement must have the formal written approval of the Archdeacon and this record held on file by the Derby Diocesan Board of Education (DBE).

When a new Foundation ex-officio member takes up their place on the LAC, please inform ddatadmin@ddat.org.uk to ensure the Trust Board can be updated.

Foundation Ex-Officio Vacancy

Parish vacancies take a minimum of 12 months to be filled and can take up to 24 months. Where there is an interregnum, the DBE office will typically liaise with the Archdeacons' office to ascertain if there is a possibility for a substitute Foundation ex-officio place. However, these are in the statutory gift of the Archdeacon and subject to their formal consent. Please note that a substitute arrangement cannot be made by anyone other than the Archdeacon.
