Key Learning this term...

Our Y1 and Y2 topic this term is 'Travel and Transport'.

In science we will learn about properties of a range of materials. We will plan and carry out an exciting test to discover more about 'floating and sinking' and 'waterproofing'.

In history we will learn about how transport has changed over time.

We will learn the names of the four countries that make up 'The United Kingdom' and features of these countries in geography. We will also research the capital cities and discover human and physical features of these cities.

In D+T we will study a simple 'wheel and axle' mechanism as we design and make a model car.

Our fantastic class texts ('Meerkat Mail' and 'The Day the Crayons Came Home') will help us learn about the features of postcards, letters, emails and texts. We will also explore imaginary and factual recounts and non-fiction texts linked to transport.

In RE lessons, we will consider how Christian, Jewish and Muslim people celebrate special times and we will think about 'Being Me' in PSHE lessons.

We encourage children to drink water. PE kits should be in school at all times. Our specific PE day will be on a Monday this term. PE kits will come home at the end of the half term for a wash.

Recommended Read!

My recommended read this term is this beautiful picture book. Children will enjoy creating the story in your own words. The illustrations in this book are detailed and stunning!
