

Class 2 home learning

Tuesday 19th November 2024

Hello Class 2,

I hope you are enjoying the snow! Here are some activities to be getting on with at home today.

Maths

Please spend some time on Maths Whizz: [Login - Maths-Whizz](#)

Remember the aim is to get at least two blue gems (new learning) and one red gem (revisited learning) a week but it's fine to do more.

Please also practise your times tables using TT Rockstars: [Times Tables Rock Stars: Play](#)

As a rough guide, this is what you should be working on:

	Tables you should know	Tables to work on next
Year 3	2x, 5x, 10x	3x, 4x, 6x, 8x
Year 4	2x, 5x, 10x, 3x, 4x, 6x, 8x	7x, 9x, 11x, 12x

Spellings

The spellings we are practicing in school this week are words with the phoneme /ay/ spelt 'eigh', 'ei' and 'ey'. Try to put each of these words into a sentence:

vein, beige, reign, obey, they, eight, neighbour, weigh

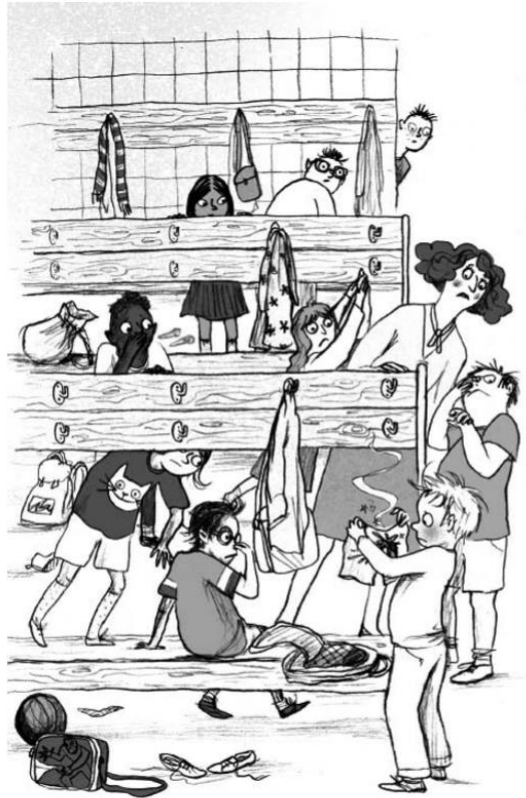

Reading

Read your school reading book for at least 10 minutes – ask a grown up to sign your reading record if possible.

Writing

This picture is from the next chapter of *The Boy Who Grew Dragons*. Can you write three or more sentences about what you think is happening? Remember to concentrate on keeping your handwriting neat and using correct punctuation.

Please bring completed work to school tomorrow as I'd love to see it and you can also send in pictures of you having fun in the snow to info@darleychurchtown.derbyshire.sch.uk

Have a lovely day,

Mr Lloyd
