

Class 2 home learning – 9th January 2026

Good morning Class 2,

As school isn't open today, here are some ideas for learning that you could do at home.

Spellings

Your words for this week are formed using the suffix 'ous'. They are:

Adventurous, dangerous, poisonous, mountainous and joyous.

See if you can write a paragraph that uses all these words. As an extra challenge, see if you can include any other words that use the 'ous' suffix.

Literacy

Write a descriptive paragraph of a snowy scene. This could be the view from your home, a made up scene or you can use the picture below for ideas.

Maths

Spend 30 minutes on Maths Whizz or practise your times tables on TT Rockstars.

Art

This afternoon we were going to start a new unit on drawing so why don't you draw a snowy scene to go with your descriptive paragraph.

Please bring me any learning you complete next week as I'd love to see it.

Have a great day,

Mr Lloyd
