Our class texts...

Key Learning this term...

We are going back to the mythical adventures of dragons this term. Our main class text will be the funny and energetic *The Boy Who Grew Dragons*. The children will be writing adventure stories, balanced arguments and poetry. In maths, the children will continue working with fractions, leading on to decimals and then mass and capacity.

We are looking at a range of artists in art and experimenting with different mediums in our Mega Materials topic. In geography, we will be taking part in land surveying and drawing maps of our local area - finding out how land is used and how this has changed.

In science, we will be exploring how sound is made and investigating this by making our own instruments. In PSHE and RE the children will be finding out how we get money and how to budget, alongside what it means to be a Hindu in Britain today.

In Computing, we will be using editing software, in PE, developing our cricket skills and finally in French we will be finding out about the French speaking world and learning key vocabulary to do with location.

Dates for the diary...

Swimming every Wednesday afternoon.

PE - Please can children have their PE kits in school every day as PE will not always be on the same day.

Friday 5th of May will be a red, white and blue theme day for King Charles' coronation.

Reminders...

Please make sure your child brings their bag to school every day, with their reading books and planner to use in school. Friday reading club is for all children that have read at home four times or more over the week.

The children will need to bring their swimming bags with them on Wednesday afternoons.

Homework will be handed out every Wednesday and returned for marking the following Wednesday.

Recommended Read!

This hilarious and heart-warming chapter book combines an entertaining plot and a diverse range of characters with delightfully funny black-and-white illustrations. The cheeky antics of the mischievous pony are great fun.
