Our class texts...

Key Learning this term...

We are so proud of our children's continued commitment to their Year 6 studies and during the first couple of weeks we will be revisiting all key maths, grammar and reading knowledge to ensure that our children are best prepared for their end of year assessments. We will be focusing their homework over the next couple of weeks on the revision that we have started in school. Y5 will continue their new learning and revision to give them the best foundation for Y6 and beyond. Throughout our literacy sessions, we will be writing an adventure story based on the 'Treasure Island' book.

In maths we will explore angles in shapes and statistics including timetables, graphs and charts.

In science this term, we will be looking at evolution and inheritance - the children will have chance to analyse fossils and decide how plants and animals adapt to suit their environment. In history we will investigate the Mayan civilisation through historical enquiry-based tasks.

We are most looking forward to our junior play production. We will be kick-starting rehearsals at the end of this term and we can't wait to introduce this to children!

Dates for the diary...

After school sports clubs will run on a Tuesday and Thursday this term.

Monday 5th May - Bank holiday

WC 12th May - SATS week

Year 6 Celebration event 16th May

Reminders...

Can all children have a PE kit in school all week as PE days may change. Homework and spellings will be handed out on a Wednesday and returned the following Wednesday. Homework is one sheet of English and 30 minutes of maths whizz each week. Please could your child read at least 3 times a
