Our class texts...

Key Learning this term...

As part of our literacy lessons, we will be reading 'Running on Empty' by S. E. Durrant. We will be using this to write a persuasive text. The children will then move on to reading an autobiography and writing their own - we can't wait to read them! We will continue to start each literacy lesson with a grammar focus providing the children with an opportunity to use these principles to further improve their writing.

In maths we are finding the area and perimeter of parallelograms, triangles and compound shapes. We are now moving on to volume and ratio. Later in the half term, we will be looking at properties of shapes and statistics. We will consolidate our arithmetic learning through daily short fluency sessions. We are focusing our morning work on multi-step mathematical problems from a range of mathematical areas.

In science we will be looking at animals including humans. In geography we will explore time-zones and use technology to map a route that covers various time zones. In art we will continue to use sculpture to make memory boxes. Our PSHE sessions will focus upon the value of money and how taxes are used to support our local community.

In RE we will be looking at incarnation.

Dates for the diary...

After school sports clubs will run on a Tuesday and Thursday this term.

6th March – World Book Day!
Dress up as your favourite character and bring your favourite book to share.

14th March – science day – further details to follow!

21st March – Red Nose day!

Reminders...

Can all children have a PE kit in school all week as PE days may change. Homework and spellings will be handed out on a Wednesday and returned the following Wednesday. Homework is one sheet of English and 30 minutes of Maths Whizz each week. Please could your child read at least 3 times a week.

Recommended Read!

We recommend 'Wolf Brother' by Michelle Paver. This is the first of a series of books!
