Other news:

- We have lots of good quality, donated school uniform in school. Please contact the office if you need anything.
- Just to remind you, if you pay for your child's school lunches these should be paid in **advance** of the meal being taken where possible. Thank you.
- Please ensure children have a water bottle in school every day.
- We still have a few children without a PE kit in school. Please make sure a full PE kit including trainers is kept in school at all times, these will be sent home every half term to be washed. PE days do change and kits are also needed for after school sports clubs. We have spare uniform available in school so please do ask if you need anything.
- **Healthy Snacks-** Children are welcome to bring a healthy snack to school to eat at morning break. **Please ensure this does not include chocolate, cake or sweets.**
- After school clubs are available on Parentpay, Tennis on Tuesday and Football on Thursday.
- A reminder that breakfast club is now free to all children. Bookings are essential so we can ensure correct staff levels and breakfast supplies.

In September 2013 the government introduced new regulations making it clear that Headteachers must not give approval for any leave of absence during term time, including holidays, unless there are exceptional circumstances. Parents are not entitled to take their children on holiday in term time. Planned absence can only be taken with the prior written approval of the headteacher. Each case will be considered on its own merits and the decision of the headteacher is final.

Any requests for term time leave should be made on a leave of absence request form available from the school office and handed in at least two school weeks before the first date of the requested absence whenever possible. You must have received written authorisation before your child can be absent from school.

If a request for leave is denied and the pupil is absent for 5 days or more then the school is expected to refer the case to the local authority. Parent/carers may be issued with a penalty notice fine or prosecution should leave of 5 days or more be taken which is not authorised by the Headteacher, or where repeated incidents of leave in term time for less than 5 days occur or where the unauthorised absence contributes to wider poor attendance that meets the legal threshold. If unpaid this could lead to prosecution under section 444(1) of The Education Act 1996

Absence deemed for the reason of unauthorised leave in term time will be marked in the register with the Attendance code G.

Further information regarding school attendance and penalty notices can be found on the DCC website <https://www.derbyshire.gov.uk/education/schools/welfare-services/attendance/school-attendance.aspx>

Please see our Attendance policy on our school website for more details.

Keeping children safe during hot weather

- Are you aware children are more vulnerable to the hot weather?
- Children cannot control their body temperature as efficiently as adults because they do not sweat as much.
- Here are some top tips to keep children safe in the heat.

Stay cool

Avoid direct sunlight during the hottest times of the day from 11am – 3pm.

Be prepared!

Think about signing up to the [Met Office Alerts](#) and watch the weather forecast to prepare for heatwaves.

Ensure you are aware of the procedures in your setting if there is a heatwave and any action you may need to take.

Staff should be aware of health risks from heat, including heat stress, heat exhaustion & heatstroke. It is important to be aware of the symptoms and how to treat.

[Looking after children and those in early years settings before and during hot weather: teachers and other educational professionals - GOV.UK](#)

Stay hydrated

Provide and encourage frequent drinks to children to ensure they are hydrated.

Staying safe outside

Ask parents to dress children in loose-fitting, light-coloured clothing that covers as much of their child's body as possible.

Children should wear hats that shade the face, neck, and ears.

Apply sunscreen before going outdoors and reapply every 2 hours.

Children should be encouraged to stay in the shade as much as possible.

Remember:

- ✓ The best way to enjoy the sun safely and protect your skin is to use shade, clothing, and sunscreen
- ✓ Shade and clothing are better than sunscreen at protecting your skin.
- ✓ Sunscreen shouldn't be used to spend longer in the sun. But they can be useful for protecting the parts of the body not covered by clothing or shade.

Note: This guidance applies equally to adults.

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Need to Know about

APPLE IPADS

WHAT ARE THE RISKS?

COSTLY TO REPAIR

Unlike some child-friendly tablets, the iPad is not built for rough handling. Its slim design and high cost mean that a drop or spill can result in a costly repair. If a child is using the device regularly, a sturdy case and screen protector are strongly recommended to help prevent accidental damage.

DATA PRIVACY

While Apple is known for strong privacy protections, a recent study found that many iOS apps aimed at children still share personal data. Over 40% of the tested apps sent at least one piece of user information to third parties, raising concerns about advertising and analytics being targeted at underage users.

INAPPROPRIATE CONTENT

The App Store and Safari browser provide almost unrestricted access to online material. Children may stumble upon age-inappropriate content, whether through apps, advertisements or online searches. Even recommended content algorithms can surface unsuitable material.

BYPASSING RESTRICTIONS

Siri - Apple's voice assistant - can potentially override restrictions, especially with the newer text-based commands introduced through Apple Intelligence. Without safeguards in place, children may inadvertently access inappropriate topics simply by asking a question, bypassing certain filters previously set by adults.

SCREEN ADDICTION

iPads can be highly immersive, and excessive screen time may affect a child's emotional and behavioural development. Signs of overuse might include mood swings, irritability, and difficulty focusing on non-digital activities.

REDUCED ATTENTION & COGNITIVE IMPACT

Prolonged use of tablets has been linked with reduced memory, slower processing speeds and difficulties in concentrating. Research shows that children who spend excessive time gaming or consuming media on tablets may struggle with language development and executive functioning over time.

Advice for Parents & Educators

ENABLE FAMILY SHARING

Family Sharing allows you to create a dedicated Apple ID for your child and manage their activity. You can approve purchases, control what content they can access, and set time limits - all done remotely from your own device. It's a simple but powerful way to maintain oversight.

FILTER APPS, WEBSITES & IN-APP PURCHASES

Parental controls in iOS let you block explicit content in Safari, restrict app downloads, and manage in-app purchase permissions. You can also filter websites automatically to prevent access to adult material and disable the installation of certain app types completely.

USE SCREEN TIME FEATURES EFFECTIVELY

Tools like Downtime and App Limits can reduce device overuse. Downtime allows you to block access during key times - such as before bed or during homework - while App Limits set daily time caps on specific games or apps. Alerts help children anticipate when their time is almost up.

PREVENT UNAPPROVED SPENDING

Children can accidentally (or intentionally) make purchases within apps. Activating Ask to Buy under Family Sharing ensures you receive a notification to approve any app or in-app purchase. This stops surprise charges and allows you to discuss purchases together before they're made.

HOLIDAY CLUBS IN DERBYSHIRE

it's about me
Derbyshire's Holiday Activity and
Food Programme

2025/26

MORE INFORMATION

Did you know that as well as free school meals during term time, your child can also benefit from Department for Education-funded spaces at holiday clubs in your local area?

Thanks to the Holiday Activity and Food Programme, known in Derbyshire as 'It's About Me', your child can experience holiday clubs filled with fun, learning and healthy meals at no cost to you!

If your child is aged between 4-16 years old* and is eligible to receive benefits-related free school meals, they're entitled to access It's About Me holiday clubs.

With a wide range of activities such as sports, arts and crafts, cooking, dance, music and more, there's something for everyone! Plus, every session includes a nutritious meal to keep them energised and happy throughout the day.

Each club offers a unique programme depending on its location and type—there's so much to explore!

Not eligible? Many clubs also offer paid places, so every child has the chance to join the fun.

*See website for full eligibility criteria.
