Other news:

- We have lots of good quality, donated school uniform in school. Please contact the office if you need anything.
- Just to remind you, if you pay for your child's school lunches these should be paid in **advance** of the meal being taken where possible. Thank you.
- Please ensure children have a water bottle in school every day.
- We still have a few children without a PE kit in school. Please make sure a full PE kit including trainers is kept in school at all times, these will be sent home every half term to be washed. PE days do change and kits are also needed for after school sports clubs. We have spare uniform available in school so please do ask if you need anything.
- **Healthy Snacks-** Children are welcome to bring a healthy snack to school to eat at morning break. **Please ensure this does not include chocolate, cake or sweets.**
- After school clubs are available on Parentpay, Tennis on Tuesday and Football on Thursday.
- A reminder that breakfast club is now free to all children. Bookings are essential so we can ensure correct staff levels and breakfast supplies.

In September 2013 the government introduced new regulations making it clear that Headteachers must not give approval for any leave of absence during term time, including holidays, unless there are exceptional circumstances. Parents are not entitled to take their children on holiday in term time. Planned absence can only be taken with the prior written approval of the headteacher. Each case will be considered on its own merits and the decision of the headteacher is final.

Any requests for term time leave should be made on a leave of absence request form available from the school office and handed in at least two school weeks before the first date of the requested absence whenever possible. You must have received written authorisation before your child can be absent from school.

If a request for leave is denied and the pupil is absent for 5 days or more then the school is expected to refer the case to the local authority. Parent/carers may be issued with a penalty notice fine or prosecution should leave of 5 days or more be taken which is not authorised by the Headteacher, or where repeated incidents of leave in term time for less than 5 days occur or where the unauthorised absence contributes to wider poor attendance that meets the legal threshold. If unpaid this could lead to prosecution under section 444(1) of The Education Act 1996

Absence deemed for the reason of unauthorised leave in term time will be marked in the register with the Attendance code G.

Further information regarding school attendance and penalty notices can be found on the DCC website <https://www.derbyshire.gov.uk/education/schools/welfare-services/attendance/school-attendance.aspx>

Please see our Attendance policy on our school website for more details.

Keeping children safe during hot weather

- Are you aware children are more vulnerable to the hot weather?
- Children cannot control their body temperature as efficiently as adults because they do not sweat as much.
- Here are some top tips to keep children safe in the heat.

Stay cool

Avoid direct sunlight during the hottest times of the day from 11am – 3pm.

Be prepared!

Think about signing up to the [Met Office Alerts](#) and watch the weather forecast to prepare for heatwaves.

Ensure you are aware of the procedures in your setting if there is a heatwave and any action you may need to take.

Staff should be aware of health risks from heat, including heat stress, heat exhaustion & heatstroke. It is important to be aware of the symptoms and how to treat.

[Looking after children and those in early years settings before and during hot weather: teachers and other educational professionals - GOV.UK](#)

Stay hydrated

Provide and encourage frequent drinks to children to ensure they are hydrated.

Staying safe outside

Ask parents to dress children in loose-fitting, light-coloured clothing that covers as much of their child's body as possible.

Children should wear hats that shade the face, neck, and ears.

Apply sunscreen before going outdoors and reapply every 2 hours.

Children should be encouraged to stay in the shade as much as possible.

Remember:

- ✓ The best way to enjoy the sun safely and protect your skin is to use shade, clothing, and sunscreen
- ✓ Shade and clothing are better than sunscreen at protecting your skin.
- ✓ Sunscreen shouldn't be used to spend longer in the sun. But they can be useful for protecting the parts of the body not covered by clothing or shade.

Note: This guidance applies equally to adults.

What Parents & Educators Need to Know about

YOUTUBE KIDS

WHAT ARE THE RISKS?

As its name suggests, YouTube Kids is a child-friendly version of Google's online video-sharing platform. Its colourful user interface is designed with young people in mind, and it offers a curated, family-friendly experience with features like age-based content settings and parental controls.

AGE RESTRICTION
4+

INAPPROPRIATE CONTENT BYPASSING FILTERS

YouTube Kids is less likely to show inappropriate material than YouTube, but there have been reports of the app showing age-inappropriate content to young viewers. One investigation found that YouTube Kids had shown videos that promote skin bleaching, weight loss, drug culture and firearms to children as young as two, as inappropriate content had bypassed the platform's algorithms and human moderators.

BE WARY OF ADVERTISING

Like Google's regular YouTube app, YouTube Kids features pervasive advertising before a video plays. While these adverts are designed to be family friendly and are subject to a strict review process, it's worth noting that YouTube Kids collects information around children's viewing to inform targeted content and advertisements.

DESIGNED TO BE ADDICTIVE

YouTube Kids is designed to be addictive. The platform's design features, such as the constant stream of new videos and the reward system of points or virtual stickers, can be very engaging and make it difficult for children to switch off. Research has shown that spending too much time using digital services such as YouTube can lead to screen addiction, affecting children's daily routines, studies, and even their social lives.

SETTINGS CAN BE CIRCUMVENTED

YouTube Kids offers built-in parental controls, enabling you to set screen time limits and curate the content children are able to view; however, children are often more tech-savvy than we think. They can easily bypass or tweak these settings if they have access to the associated Google account password, thereby exposing themselves to age-inappropriate and potentially dangerous content.

AI-GENERATED MISINFORMATION

There is also a risk of children accessing videos that contain disinformation and misinformation. A BBC investigation found that some YouTube channels are using artificial intelligence (AI) technology to create misleading 'educational' videos that are recommended to children as educational content. These videos included conspiracy theories and ideas that lack scientific backing.

DATA COLLECTION RISK

While there are limits on the data that YouTube can collect on children under 13, children can still inadvertently give away sensitive information when using YouTube Kids. The platform collects data on children's viewing habits, content searches and location, which YouTube and third-party advertisers can use.

Advice for Parents & Educators

PARENTAL CONTROLS

YouTube Kids offers several settings that allow you to manage what content children can view. For example, you can choose what level of content you want them to access, such as 'Preschool' or 'Younger'. You can also turn off the search function, so that only those videos approved by the YouTube Kids team themselves will appear on a child's recommendations list.

CHECK WATCH HISTORY

YouTube Kids has made it easy for you to keep an eye on what the children in your care have been watching on the app. By clicking on the 'Recommended' icon at the top right of the home screen, you can see which videos they've been viewing, and how much of each. If a child watches YouTube Kids while signed into a Google account, you can check their history through Google's 'My Activity' page.

SET TIME LIMITS

The built-in parental controls let you keep a tab on how long children spend watching videos. You can set a timer that limits screen time and disables the YouTube Kids app once a specified length of time has been reached. It's also worth speaking to children about the dangers of spending too much time on YouTube, to ensure they remain focused on other, more important activities.

WATCH TOGETHER

It's important that you try to make YouTube Kids a fun and positive experience for children. One way to do this is by introducing watching sessions, where you all gather around and share the most enjoyable videos that you have recently watched. This can be a great way of giving you both new things to talk about and of keeping an eye on what they're watching.

HOLIDAY CLUBS IN DERBYSHIRE

it's about me

Derbyshire's Holiday Activity and Food Programme

2025/26

MORE INFORMATION

Did you know that as well as free school meals during term time, your child can also benefit from Department for Education-funded spaces at holiday clubs in your local area?

Thanks to the Holiday Activity and Food Programme, known in Derbyshire as 'It's About Me', your child can experience holiday clubs filled with fun, learning and healthy meals at no cost to you!

If your child is aged between 4-16 years old* and is eligible to receive benefits-related free school meals, they're entitled to access It's About Me holiday clubs.

With a wide range of activities such as sports, arts and crafts, cooking, dance, music and more, there's something for everyone! Plus, every session includes a nutritious meal to keep them energised and happy throughout the day.

Each club offers a unique programme depending on its location and type—there's so much to explore!

Not eligible? Many clubs also offer paid places, so every child has the chance to join the fun.
