In September 2013 the government introduced new regulations making it clear that Headteachers must not give approval for any leave of absence during term time, including holidays, unless there are exceptional circumstances. Parents are not entitled to take their children on holiday in term time. Planned absence can only be taken with the prior written approval of the headteacher. Each case will be considered on its own merits and the decision of the headteacher is final.

Any requests for term time leave should be made on a leave of absence request form available from the school office and handed in at least two school weeks before the first date of the requested absence whenever possible. You must have received written authorisation before your child can be absent from school.

If a request for leave is denied and the pupil is absent for 5 days or more then the school is expected to refer the case to the local authority. Parent/carers may be issued with a penalty notice fine or prosecution should leave of 5 days or more be taken which is not authorised by the Headteacher, or where repeated incidents of leave in term time for less than 5 days occur or where the unauthorised absence contributes to wider poor attendance that meets the legal threshold. If unpaid this could lead to prosecution under section 444(1) of The Education Act 1996

Absence deemed for the reason of unauthorised leave in term time will be marked in the register with the Attendance code G.

Further information regarding school attendance and penalty notices can be found on the DCC website <https://www.derbyshire.gov.uk/education/schools/welfare-services/attendance/school-attendance.aspx>

Please see our Attendance policy on our school website for more details.
